

INTERNATIONAL DANCE COMMITTEE OF THE INTERNATIONAL THEATRE INSTITUTE

International Theatre Institute ITI

World Organization for the Performing Arts

26, February 2016

Dear friends,

The International Dance Symposium is a thematic symposium which I had the pleasure to initiate in 2011 in corporation with the Cyprus Centre of ITI. After being evaluated by the Board of the International Dance Committee in 2014, it was adopted as a long term project to be enriched, developed and co-organized by the members of IDC, affiliated organizations and interested National Centres of ITI.

The next International Dance Symposium will take place between the 1st to the 3rd of June 2016 in Manaus, Brazil, during the “Nature is our Stage” 35th World Congress of ITI, May 30th to June 4th 2016.

The ITI, the Brazilian Centre of ITI and the Municipality of Manaus have now kindly offered to host the 5th International Dance Symposium “Dancing in the Body of Nature”, which includes the provision of a stage and the hosting of selected artists, lecturers and teachers.

Against this background the IDC is making an open call for participation with performances, lectures and workshops (see attachment).

Accordingly, you are welcome to participate as a National Centre of the ITI, as an individual artist, academic or functionary in the field of dance, as a dance organization or as a member of the IDC.

If you are not already a member, you are welcome to join the IDC by sending us a letter of interest and your cv.
Being a member of IDC will entitle you to propose candidates for the International Dance Day message author, vote and propose future projects of interest to the dance community, at an international level.

With warm regards from the IDC board,

Andromachi Dimitriadou Lindahl

Choreographer/President of the IDC of ITI
