

International Dance Committee of ITI

5th International Dance Symposium

to be held during the 35th ITI World Congress in Manaus / Amazonas / Brazil

30 May to 4 June 2016

Open Call for Dance Performances, Lectures and Workshops

The International Dance Committee IDC, in collaboration with the International Theatre Institute ITI, the Brazilian Centre of the ITI and the Municipality of Manaus, is organizing the **5th International Dance Symposium**. It is to be held during the 35th ITI World Congress in Manaus / Amazonas / Brazil, which will take place from 30 May to 4 June 2016.

The Theme of the Symposium is "Dancing in the Body of Nature"

The purpose is to highlight the relation of Man to Nature by addressing the following issues:

"How do humans connect and become part of Nature through dance? How does the Western civilization alienate humans from Nature through the notion of duality expressed in "Man and Nature" or "Body versus Spirit"? How does Nature and Body becomes objects? How do various traditions, philosophies, religious practices and neuroscience bridge this gap? How does the dancer experience his/her relationship to "Nature" through the act of dancing?"

The International Dance Committee IDC accepts applications for:

1. **Contemporary dance performances**, adapting to a stage of 8 meter x 8 meter with a duration of approximately 10 to 20 minutes.

2. **Lectures** on the topic of “Dancing in the Body of Nature”, with a duration of max. 10 to 15min.
3. **Workshops** on various dance styles and practices, from 1 to 2 days. Please specify if it is for professional dancers or amateurs/beginners.

Deadline for the applications: 5th March 2016

The Municipality of Manaus will provide a fully equipped stage for dance performances. It is hosting (bed and breakfast) selected participants for 5 days during the Congress (not before and after).

The selected artists can ask for an invitation letter from the Municipality of Manaus and ITI worldwide by which they can apply for travel expenses and honorarium or per diem to ministries, foundations and other organizations. Unfortunately, the IDC, the ITI worldwide, the Brazilian Centre and the Municipality of Manaus are not able to cover travel expenses, honorariums and per diems for performances, lectures and workshops but only the stay in Manaus.
