

MALMÖ DOCKTEATER

THE WORLD IS FULL OF MARRIED MEN

by Jackie Collins

In meticulous 1960s environments the size of dollhouses, a story full of lies, passion and desire for power unfolds.

In hotel rooms, nightclubs, film studios and roof terraces in 1960s swinging London, millionaires and fashion models rub shoulders with housewives and Hollywood directors. Life is about making a career, partying and sex. The World Is full of Married Men is a lustful mix of soap opera, satire, pornography and drama where everyone has to work their way up to achieve their goals.

The performance was praised by critics and audiences and played to full houses at Malmö Dockteater in winter 2021, at the Performing Arts Biennale in Västerås in June 2022 and at Malmö Stadsteater in Malmö in autumn 2023. It will be performed in Stockholm during november 2025 and is thereafter available to book during december and spring/summer 2026.
